Ken Yazel  
TULSA COUNTY ASSESSOR

Property lines are defined from existing tax maps and other public records. The property data was produced at a scale of 1" = 100' and is intended to support the boundary of real property. Colored data should not be considered as actual field survey data. All maps and data were produced using the Department Office Geographic Information System (GIS). These maps are for tax purposes only and are not intended for use in making comparisons or for preparing legal descriptions of properties.
